Both Year 4 and Year 2 have been busy this year learning how to be engineers. On Thursday, these lucky six went all the way to Salford University to test out their Locomotives designs against other schools, showing just how good Christ Church is! Everyone did an amazing job and did us proud, with Hollie and Amelia taking the top prize for the best design. An amazing effort all around.

SNACK REMINDER

Change4Life (www.nhs.uk/change4life) recommend looking for snacks that are less than 100 kcal. They need to be snacks the children can eat whilst out on the playground. Here is a list to help you and your child pick a healthy snack:

- Fruit (no grapes)
- Plain rice cakes
- Low fat cheese •
- Crackers/bread sticks

- Vegetables
- Malt loaf slice
- Plain Scotch pancake (no chocolate)
- Lower-fat, lower-sugar fromage frais (we ask they are the type in a tube/pouch not needing a spoon)
- Low sugar cereal bars (Less than 100 kcal)

If children do bring a different snack such as a chocolate, chocolate biscuits, high sugar cereal bar/biscuits, crisps etc. it will be kept safe for them and returned at the end of the school day to take home. They will be offered a piece of fruit. The snack must be put into their tray when they arrive in school, children will not be allowed to go into their lunch boxes at break time.
